

Improvements to South Kensington Station

Drop-in event: Wednesday 13th July 2016, 2pm - 8pm

Transport for London (TfL) is working on proposals to improve South Kensington Station, providing more capacity and enhancing the customer experience.

The proposals will restore one of the disused platforms, expand the ticket hall and improve routes around the station. Ahead of a Listed Building application TfL would like to share the plans for comment and obtain your feedback.

When:

Wednesday 13th July 2016
2pm – 8pm

Where:

London Transport Museum
Shop in the station arcade
